

Keys to Learn

Referral Form

Keys to Learn is a course for people affected by or at risk of homelessness or housing crisis, who are interested in getting into learning.

All information provided is confidential, and only shared with the project partners – the learning providers and organisations where a course is held, so that we can best meet learning needs and ensure the learning environment is safe, and fits everyone’s needs.

We ask that you answer each question with as much information as possible.

Have you completed and submitted an application form?

Yes	
No, providing referral contact details for follow up
